Property Description

This charming colonial in a cul-de-sac close to Belvedere Square was completely renovated from attic to basement by an architect and an engineer. The hand-picked, expertly-crafted final touches throughout make you feel like you've been transported into a home design magazine. Take a look around to find a wood-burning fireplace, brand-new master suite, California closets, barn doors and more. This incredible home is more than a design masterpiece -- it features new HVAC, plumbing, electric, all new appliances, high-end finishes and an energy-efficient Nest thermostat. Don't forget to explore the beautiful outside space to experience the relaxing front porch, rear deck and patio perfect for entertaining, fenced-in backyard and one-car garage.
